### Details of payment terms:

- The invoices and the payments will be in euros. The payment terms granted are applicable to all ANA network.
- In cash basis system, the payment of all services due shall be made immediately after the invoice issuing, including terminal control duties from NAV, EP. The payment shall be made in aerodrome services prior to take off by the company or its handler.
- In pre-payment regime, the pre-payment of invoices must be assured and articulated with the responsible of ANA identified for the follow up of the client's current account;
- For the granting of credit, the client shall submit a written request to ANA, which will be subject to a case-by-case assessment. ANA reserves the right to make its decision of granting credit dependent on the provision of a guarantee. The payment should be executed within the defined deadline. In case of non-compliance with the due date agreed for the invoices payment, daily late interest shall be payable by the debtor until the effective date of payment.

<sup>1</sup> Not applicable to the cash basis payment regime, since in this scheme all services and accesses provided are invoiced immediately by aerodrome services (SOA)

- In the event of non-compliance with the terms established for the current account, the cancellation of credit and alteration to the prompt/ prepayment scheme, or suspension of services provision may be determined.
